Please read before applying to exhibit at the 2021 Illawarra Visual Arts CNI exhibition "Every Artist was first an Amateur". Students must organise their work to be delivered and collected from the Project Contemporary Artspace, 255 Keira St, Wollongong NSW 2500.

There is no cost to the student or school for exhibiting work in the exhibition because it is financially supported by Secondary Education, Curriculum at the Learning and Teaching Directorate; however, it relies on the organisation of the student, school and caregivers. Please commit knowing your delivery and collection responsibilities. Please ensure all works are ready to be hung or displayed!
